## June 2017

“Why do we continue to go to  
secular rallies ?”

is a question that I sometimes struggle with;  
between not always wanting to go and  
because we see so little fruit.

BUT GOD—has shown me that  
HE is faithful and HE has been working.

When we went to our first rally this year, on June 3, I met up with a lady that had been at the rally last August where I shared the devotional on *the one and only way to heaven is through Jesus and we all have a choice to make*. She was struggling when I spoke so after the meeting I talked to her and she told me her husband and her father had passed away within the last five months. I held her as she cried and prayed with her.

SO....this year when she saw me she gave me a very long hug and told me she was going to an evangelical church and has been doing online devotionals. She made a choice last fall and she chose to turn to Jesus. She made this comment to our Chaplin, “I would not be here today if it wasn’t for Arlene.” But God!! I had been faithful in what God had called me to say and do and He spoke into her heart. Praise the LORD!! She said she has been watching us for years. Oh the importance of being authentic and faithful for our God. I praise God for this ray of hope and showing me He is at work! I need to continue to be faithful to what He has called me to do knowing He is at work even when I do not see it.

Lord willing, I will have the opportunity to see her at another rally in July and look forward to connecting with her again.

When we were at Kerith Retreat two of the things we identified that we like to do together and that 'fills our well' is camping and biking. We were finding that our little tent trailer that we pulled behind the bike and have used for the past ten years was not as exciting as it once was. Being cold, not having a bathroom, and not sleeping well were the biggest factors.

We have been thinking and praying for some time about what we could or should do so we could do both of these things together.

At Easter when we were in Alberta we were looking at toy haulers but they were all bigger than we wanted and each time I felt God saying, "Just wait and see what I will do. " Then God led us to the one you see on the right. It was not at all the layout we had been looking for but when we saw it we knew it could work. So...we praise the Lord for blessing us with a toy hauler and we will now be able to enjoy camping but also riding our bikes—yes, both bikes fit in the trailer. We will take this to the rallies this year.

The following scripture was part of our Bible reading recently. I love the imagery of the Message Bible. As we minister with Healing Hearts Ministries Inc. and CMA (Christian Motorcyclists Association) we are going public as His light-bearers. Our prayer is that we will shine and be generous with our lives as we serve Him!

<sup>13</sup> "Let me tell you why you are here. You're here to be salt-seasoning that brings out the God-flavors of this earth. If you lose your saltiness, how will people taste godliness? You've lost your usefulness and will end up in the garbage.

<sup>14-16</sup> "Here's another way to put it: You're here to be light, bringing out the God-colors in the world. God is not a secret to be kept. We're going public with this, as public as a city on a hill. If I make you light-bearers, you don't think I'm going to hide you under a bucket, do you? I'm putting you on a light stand. Now that I've put you there on a hilltop, on a light stand—shine! Keep open house; be generous with your lives. By opening up to others, you'll prompt people to open up with God, this generous Father in heaven.

*Matthew 5:13-16 The Message (MSG)*

### We Praise the Lord...

- We have met with three of our Member Care couples and were very encouraged. We are meeting with the fourth couple in July. We trust we were an encouragement and support.
- We are so thankful for our new-to-us trailer and we look forward to time out together.
- We are grateful for the strength God continues to give us; we have been very tired but God is showing us the importance of rest and how that can look.
- For connections that we are making at bike rallies.

### Join us in Prayer...

- We have been to one bike rally and will be attending three more (June 16-18, 23-25; July 14-16). Please pray that we would be the light of Jesus and that we would recognize divine appointments God has for us.
- For safety as we travel.
- We have many friends who are going through some very difficult times. Pray that we could be an encouragement and support for them.
- That our holiday and down time would be a time of relaxation and rejuvenation.
- That we would continue to learn and practice silence and solitude with our Heavenly Father.
