

1. This was Vicki's last meeting for her term on the elder's board. She provided an overview of her time as an elder. From 2014 to now there has been significant change and staff turnover. She encouraged the board to act with an abundance of grace for changes that will happen in the future. The elder's board is extremely thankful and appreciative of Vicki and the contributions she has made to our church leadership since 2014.
2. Vicki reported on a discussion she had with the Heritage Builders. It was strongly expressed that they would value a pastoral presence in their group.
3. A motion was made for Gabe Clifford's hours to be increased by up to 10 hours a week which will be in effect for the month of July. This will allow him to better support the youth ministry and allow additional time and space for Pastor Ryan.
